

Items 95-225, 95-230, 95-235 & 95-240

SINGLE SIDED SURE-GRIP CLAMPS

Perfect straight edges made of rugged extruded aluminum.

Clamp them on drill press or band saw tables for fences, or on your projects for marking, sawing and routing.

Pre-bored ends so they can be bolted to workbenches, sawhorses, or on walls for frequent clamping or holding jobs.

Feature smooth acting, one hand clamping.

Right or left hand operation.
