

Model 20-340 C

## SPECIALIZED FEEDER

Designed to be universally adaptable on a variety of wood working tools including table saws, bandsaws, shapers and jointers.

Each model is fully adjustable and all joints are lockable.

All models are equipped with reverse switch.

The curve feeder can easily feed workpieces to a minimum of 11 13/16" (300 mm) radius.

Front and rear wheel guards are adjustable for greater operator safety.
