

## Model 80-225HC M1

# 8" PARALLELOGRAM JOINTER

Large surface, ground cast-iron tables for stability and added support when feeding longer stock.

Large, heavy-duty center-mounted cast-iron fence with 45°, 90° and 135° positive stops.

Precision four point parallelogram table adjustment system allows for easy parallel alignment of in-feed and out-feed table to the cutterhead and each other.

Independent in-feed and out-feed table height adjustment hand wheels.

Heavy duty closed base stand for maximum stability.

4" dust collection port.

Magnetic safety switch mounted above the in-feed table for quick, easy access.

Includes 2 hand-paddle style push blocks with onboard storage mounts.

Convenient front to back fence adjustment hand wheel.
