LARGE CAST-IRON EXTENSION WINGS

Model 30-115 M1 15" SINGLE SURFACE PLANER

Heavy-duty enclosed stand provides a stable work station.

Heavy-duty cast-iron frame reduces vibration for more precise planing.

Four-post design provides added stability to keep the table aligned with the cutter head.

4" dust chute for easy hookup to a dust collector.

Knife setting gauge included.

Magnetic safety switch for added safety.

Base is equipped with four (4) lockable wheels to allow easy movement around the workshop.

The head of the machine is equipped with anti-kickback fingers.

Large cast-iron extension wings.

Equipped with four rubber leveling feet.

Powerful 2 speed, 3 HP motor.

Optional accessories

- Hi-speed steel model replacement blade set - number of knives: 3 / length: 15" (#30-116)
- Magnetic, micro-adjustable knife alignment gauge (#30-025)
- A Dial - Gauge micro meter knife alignment (#30-050)
- Cutter head-table alignment block (set of 2) (#30-040)
