Model 100-2 16" DOUBLE DISC SANDER

Quality-controlled, one-piece ribbed cast-iron frame.

Strong, stable one-piece steel cabinet.

Hinged door for easy access to the motor mechanism for cleaning and maintenance.

Dynamically balanced, precision-machined, steel disc. Drive spindle is mounted on heavy-duty, sealed, permanently lubricated ball bearings.

Large, ribbed cast-iron table for the disc, with locking key, and a miter gauge slot.

Dust collection system connects the disc, belt or drum to a 4" dust collection outlet.

Magnetic switch with overload protection.

Powerful, North American designed, totally enclosed fan cooled industrial motor with a dynamically balanced cast-iron pulley.

Optional accessories

- [Heavy-duty cast-iron miter gauge \(#1950\)](#)
- [Sanding discs \(#100-D1640 / 100-D16120\)](#)
