

Model 15-010 M1

6" X 108" VERTICAL EDGE BELT SANDER

Tables can be adjusted up or down for full belt use.

Front table can be inclined left or right.

Innovative hinged dust hood accommodates oversized stock.

Easy adjustment of abrasive belt tension with one knob only.

Graphite backing reduces belt friction for longer belt life.

Single knob tracking control.

Auxiliary table allows curved sanding.

Heavy steel base ensures a solid stable platform while sanding.

Dynamically balanced 7" rubber drive roller and crowned 3" idler roller to ensure solid belt tracking.

Magnetic 2-step safety switch to prevent unwanted or unintentional start-up is equipped with an extra-large easy access stop panel and a lock-out key to prevent unauthorized use of the sander.

Optional accessories

- 6" x 108" sanding belt - 80 grit (#15-011)
 - 6" x 108" sanding belt - 100 grit (#15-012)
 - 6" x 108" sanding belt - 120 grit (#15-013)
