 [Printable Page](#)

Heavy duty enclosed steel cabinet for added stability.

Extra large precision ground 41 1/2" x 28" cast-iron table including two 10" full cast-iron extension wings.

See-through blade guard with splitter and anti-kickback pawls.

Large polished metal handwheels for smooth easy blade height and angle adjustments.

4" dust port allows for easy connection to a dust collection system.

Large motor access door for quick cleaning and easier maintenance.

Magnetic 2-step safety switch helps prevent unwanted or unintentional start-up, equipped with an extra-large easy access stop panel and a lock-out key to prevent unauthorized use of the saw.

Equipped with deluxe Excalibur heavy duty rip fence system with a 3" x 37 1/2" sliding and reversible fence face and built-in micro-adjustment.

Powerful 3 HP Totally Enclosed Fan Cooled (T.E.F.C.) motor.

Triple V-belt drive for maximum smooth and efficient power transfer.

Includes 28" x 36" extension table board (#B-050) and steel adjustable support legs (50-115).
