### **BUILT-IN MOBILE BASE**

Model 40-350 M1

## **1 1/4" SPINDLE 4-SPEED PRODUCTION SHAPER**

Heavily ribbed, solid cast-iron table with a smooth ground surface finish.

Four (4) spindle speeds with reverse.

Independently adjustable left and right industrial duty fences with precision fine-tune adjustment dials.

Deluxe precision T-slot miter gauge for better workpiece control.

5 HP Industrial motor protected against dust by a totally enclosed cabinet.

Magnetic switch with thermal overload protection.

Quick release belt tensioning system for quick and easy speed changes.

Built-in retractable castor system provides mobility when needed.

Large cutter guard with window, spring hold downs and built-in 4" dust outlet.

Convenient, extra large adjustment handles.

---
