

Model 90-825

10" X 17" SWIVEL HEAD METAL CUTTING HORIZONTAL BANDSAW

Head swivels 0-45° on precision made heavy-duty cast-iron slides.

One-piece heavy-duty thick steel upper frame eliminates vibration.

Welded one-piece base made of high quality steel with built-in coolant tank and recovery tray.

Precision machined, high quality, balanced cast-iron wheels.

Cast-iron vise system with fixed and quick positioning, moveable jaw.

Equipped with coolant system and pump.

Smooth hydraulic cylinder, adjustable panel mounted down feed controls.

Top-mounted control panel including power on/off indicator light, coolant switch and hydraulic adjustment valves.

Variable speed can be changed during operation.
